As the elected Sheriff of Davie County, I fully realize the importance of Superior Court Judges who are knowledgeable, fair, qualified, and who have over the years, demonstrated these qualities as a way of life. Her vast experience, compassion, and understanding of our system of law and order will benefit everyone who lives in the 22-B Judicial District, especially those living in Davie County.

I therefore endorse Lori Hamilton for Superior Court Judge and urge everyone else to do likewise.

Sincerely,

A handwritten signature in cursive script that reads "Andy Stokes".
